Greetings In the Name Of Our Lord And Savior Jesus Christ,

It gives me great pleasure to present the 2016 edition of the New Mercies Business Directory by our newly re-structured Business Ministry, "Business Connections." From the beginning of this journey God has given me the vision for New Mercies to be a progressive church with one of our key areas of focus being empowerment. Over the years we have held fast to our goals of educating and empowering our members in the areas of finance through Financial Peace workshops – teaching members to make wise financial choices; through our Empowerment Services – building faith and encouraging members on the importance of leaving a legacy to our children.

I'm very proud of the community of business owners that exist within our church family and encourage you to support these members by giving their businesses the opportunity to provide their goods and services to you. To all of our members who own a business and to the new entrepreneur that God is establishing right now, I pray that this directory will be a blessing to you and in return you also can be a blessing to someone else. John 15:5 (NKJV) states, "I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing." Please remember, whatever God is connected to must be successful.

Forever Christ's,

Sr. Pastor, Jesse Curney, III

Greetings,

The Entrepreneurship Ministry would like to thank our leader Jesse Curney, III, Senior Pastor for his visionary leadership. It is his heart for business owners throughout metro Atlanta to thrive, especially the members of New Mercies Christian Church (NM). This desire was the catalyst for launching the Entrepreneurial Ministry.

The mission of the Entrepreneurial Ministry is to produce informed and empowered entrepreneurs who are changing the world for the glory of God. Our hope over the next year is to see an increase in the number of business owners and aspiring entrepreneurs active in building a solid ministry.

We are so grateful for all the business owners that have participated in our directory. It is one tool to help showcase quality business owners to NM members and the community at large. The proceeds from the directory will enable us to provide scholarships to the youth of NM and support our initiatives.

If you are interested in placing an ad or getting involved, please contact the Entrepreneur Ministry at businessconnections@newmerciescc.org.

Regards,

A handwritten signature in black ink that reads "A. S. Perry".

Dr. Alvin S. Perry

Entrepreneurship Ministry Coordinator

New Mercies Christian Church

Vision

To communicate the gospel of Christ to the world, disciple the members of His body wholly, and to develop and serve the community.

Mission

We are a diverse worshipping community of spiritually mature believers, who are engaged in holistic ministries that lead others into a personal relationship with Jesus Christ, produce healthy families, and develop and serve the community, both spiritually and economically, while changing the world for the Glory of God who is no respecter of persons.

Foundational Scripture

“Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God. For as the sufferings of Christ abound in us, so our consolation also abounds through Christ.”

- II Corinthians 1:3-5 (NKJV)

Entrepreneurial Ministry Mission

Our mission is to prepare individuals within the business community integrate proven Biblical principles to every area of their lives and businesses so they may achieve the greatest measures of success and impact the world for the glory of God.

The purpose of these directory pages is to provide the New Mercies Christian Church (NM) family with a listing of businesses and services provided, owned and operated by their fellow NM members. NM does not endorse or promote any of these businesses, but merely provides the information for you to use. The information contained in this directory should not be interpreted as an endorsement of any particular business. *Note: Information contained was current as we know it prior to the printing of this publication.*

One day, this 14 year old was standing outside with a group of friends when a police officer pulled up and said, "You little thugs need to get off the corner." The 14 year old responded, "I am a **THUG**; I am *Trying Hard To Understand God*." His response surprised the police officer, who froze because he didn't know how to react.

At that moment, the idea for THUG was born and stayed with the teenager as he has matured into a man. Sixteen years later, this young man and his friends realized that if you change the definition of a word, you change the word. So, they created THUG with the goal of changing the meaning of the word from a negative one to a positive one, so join the movement to redefine Thug.

We Have The Solution...

Domestic Violence

What is domestic violence?

Violence or physical abuse directed toward one's spouse or domestic partner; usually violence by men against women.

The Facts

Every 9 seconds in the US a woman is assaulted or beaten.

Studies suggest that up to 10 million children witness some form of domestic violence annually.

The cost of intimate partner violence exceeds \$5.8 billion each year

Violence is a bigger threat to the health of women ages 15-49 than cancer, malaria and traffic accidents combined

35%

of all emergency room calls are result of domestic abuse

Austin Tyler Foundation
"For every hurt, there is a heart"

We will embrace, educate, and empower those affected and the community in an efforts to break the cycle of domestic violence so that victims will live beyond the abuse and live a fulfilling life.
