Lessons incorporate goals and home activities, video and Scripture to empower couples to discover and live within God’s plan for their marriage. Join us as we explore For Christian Lovers Only, discovering how to further enrich and encourage each other as couples. We look forward to leading this class in one of God’s original foundational institutions.

“Through skillful and godly wisdom is a house, a life, a home, a family built and by understanding it is established on a sound and good foundation.” (Proverbs 24:3, AMP)

Isolating the student from large sections of human knowledge is not the basis of a Christian education. Rather it is giving him or her the framework for total truth, rooted in the Creator’s existence and in the Bible’s teaching, so that in each step of the formal learning process, the student will understand what is true and what is false and why it is true or false.
